*"You are the light of the world . . . your light must shine before others, that they may see your good deeds and glorify your heavenly Father." Matthew 5:14, 16*

I wish to demonstrate my Christian faith by being a responsible member of my community. As part of my Theology class, I am responsible for carrying out a minimum of ten hours of volunteer service ***through an approved agency*** each semester. I understand that some commitments may require that I contribute above and beyond that. I agree to serve . . .

*Whenever possible, make a long-term commitment---the sacrifice you will make and the relationships you will develop will make this experience much more meaningful. Some agencies may require that you make a deeper commitment than what is required for school.*

This form is a binding contract. You and your family, are giving your word that you will follow through on your responsibilities with this agency. This no different than a job---if you do not carry out your functions to the satisfaction of your supervisor, they reserve the right to release you, whereby you would lose credit for whatever hours you served with this agency.

### ***Following Your Service . . .***

***A Supervisor Evaluation Form*** must be completed and turned in no later than ten days prior to the end of the semester which is \_\_\_\_\_. ***Failure to complete these hours or not turning in all of the completed forms will result in a failing grade in Theology that semester.***
